NOTICE

To ease the strain of Fee payment in these trying times, the Management of the school has already decided to continue with the same fee structure as the previous academic year (2019-20) for the entire ongoing academic year 2020-21.

A decision has also been taken to extend a further reduction of Rs. 550/- to Rs. 600/- (depending on the slab of transport fees) in the transportation charges for the month of April to July.

Management truly appreciates and is indeed grateful to all the parents who have already made the payment, however the excess amount will get adjusted with the next payment.

No penalty has been imposed for late payment of school fees.
